Please Note: The Arkansas Valley Fair has adjusted our pricing on all ticketed events. We understand that you are accustomed to our prices staying the same year after year.

Price changes can be inconvenient, and we would like to assure you that we have carefully considered all factors before making this decision. You will see some of the improvements that have already been made to the fairgrounds, (2024) the new bucking chutes/back pens and the buildings around the arena, and (2025) additional grandstand seating east of the bucking chutes and portable bleachers on the west slab of the grandstands. The Arkansas Valley Fair and City of Rocky Ford continue to apply for grants to help improve the fairgrounds; many of these grants require a cash match. Because of this, we have increased the price to help with each grant's requirements.

We value your business and thank you for your continued support of The Arkansas Valley Fair.
